You’ve got the skills. You’ve got the talent and the commitment. But getting that all important first job can be tough if you lack experience.

That’s why the Welsh Government has set up Jobs Growth Wales and the Apprenticeship Programme for 16-24 year olds living in Wales.

With Jobs Growth Wales, thousands of young people will be given the chance to gain six months’ experience in a proper job earning at least the National Minimum Wage.

Following a Jobs Growth Wales opportunity, you could then progress onto an Apprenticeship, where you could earn while you learn and work towards a nationally recognised qualification.

Get ahead of the queue!

Search for jobs in all areas of work right across Wales - there’s something for everyone.

To apply for vacancies, call Careers Wales on 0800 028 4844 or visit careerswales.com and follow the Jobs Growth Wales or Apprenticeships link.
It is my pleasure to welcome you to SkillsCymru, Wales’ largest interactive skills and careers event.

Taking place across four dates and two venues, in North and South Wales, SkillsCymru is organised by Prospects Events and Cazbah and supported by the Welsh Government.

The Welsh Government is committed to doing all it can to enhance our nation’s skills and reducing any skills gaps by giving as many people as possible access to first-class vocational and educational opportunities in Wales.

Following on from the huge success of SkillsCymru 2014, which saw nearly 10,000 people through its doors, you can be sure that you are at the best place to find out more about the wide range of job vacancies, courses, training opportunities and careers advice available across Wales.

Both events are designed to be highly interactive, with workshops, question and answer sessions, activities and talks to inspire visitors to consider sectors or career paths that they may have never thought of before. Whether it is training, further education or the world of work we are confident you will find an option that captures your imagination and drives your ambition.

I would also like to welcome the employers and learning providers here today. I’m sure you will find this an excellent opportunity to showcase your business to thousands of individuals, teachers and parents and talk to them about the kind of skills, qualifications and experience that you need from your workforce. SkillsCymru, part funded by the European Social Fund, is just one way in which we are aiming to avoid skills shortages and help Wales to become a highly-skilled nation.

To achieve this it’s important that we engage with our future workforce in a direct and meaningful way and show them all the fantastic learning and skills opportunities that exist here in Wales.

SkillsCymru brings together representatives from a whole range of different sectors and industries. Take a good look around, talk to exhibitors, take part in activities but most importantly, enjoy your day!

Julie James AM, Deputy Minister for Skills and Technology
SkillsCymru is a highly interactive and inspirational careers and skills event offering you interactive careers advice and information. With hands-on activities and skills taster sessions, SkillsCymru will inspire and motivate you to consider the range of employment, learning and training opportunities available across Wales and beyond.

Thank you for making the effort to come, we hope you enjoy learning about what your future could have in store for you. Being here is your chance to try new things and talk to people from different industries and sectors about your career decisions. There are loads of different choices out there. Find out what life could be like if you choose one of the career paths featured at the event today.

The exhibitors are here to give you all the information you need about their companies, industries and opportunities. They’ll try to answer all your questions and give you a picture of what your life would be like if you joined them.

There are some fantastic activities and challenges. Some interactive features will be more challenging than others, see what you can achieve here at SkillsCymru!

Grab this opportunity to ask lots of questions and pick up the information you are offered, as this may be your only opportunity to learn about such a wide range of careers from such a broad selection of organisations and companies under one roof! Who could you be in the future and what would be your dream job?

TEACHERS’ LOUNGE

We recommend you supervise your students. However, you do not need to escort your students around the event, and we therefore recommend you take a few minutes to visit the Teachers’ Lounge. Enjoy a taste of Welsh cuisine and an opportunity to network with like-minded colleagues working across Wales.

Sponsored by

VOLUNTEERS

Thank you to all SkillsCymru volunteers who are helping around the event, at the registration desks, the stewards helping marshal visitors, the evaluation collectors, social media reporters and everyone who has contributed to the smooth running of the event.

SkillsCymru is organised by Prospects and Cazbah. The organisers are unable to accept any responsibility for the description of the exhibits supplied by the exhibitor. NEW FEATURES / DEMONSTRATIONS

SKILLS SHOWCASE

NEW FEATURE! SKILLS SHOWCASE
One of the new SkillsCymru features is the Skills Showcase. Presented in a gallery style area within the event, this feature will showcase products created by individuals as part of their job or training, representing some of the organisations and companies from the wide selection of key industry sectors exhibiting. Head over and be inspired by the range of products young people in Wales have created.

ELENI CONSTANTINOU – HAIRDRESSING: MY JOURNEY TO WORLD SKILLS SAO PAULO...
GETHIN JOHNSON – THE SKILL BEHIND CONSTRUCTION METAL
KATE GAMSTON – BECOMING A DENTAL TECHNICIAN
LEON IVIN – AUTOMATIVE REFINISHING
TOM SCHWARTZ, HMP SWANSEA – NO BARS TO LEARNING
SARAH MORRIS – MOROCCAN SURF: THINGS ARE LOOKING UP!
OWAIN JONES – CARPENTRY: INSPIRING SKILLS EXCELLENCE IN WALES PROJECT
SOLDIERS FROM THE BRITISH ARMY (101 BATTALION REME) – ENGINEERING CHALLENGE

NEW FEATURE! LIVE JOBS BOARD
This year's Live Jobs Board is aimed at providing you with the opportunity to find out about the current available vacancies in Wales, including apprenticeships and traineeships. The exhibitors post these vacancies on the Live Jobs Board at the event for you to view. Ensure you take a look so that if any interest you, you have the chance to speak to the organisation face-to-face at the event and find out all you can about the role. This is a great way to get ahead of the competition, so don’t forget to take a look!

DEMONSTRATIONS

Talk cars and robots with Toyota, who will be at the Qualified for Life’s Focus on Science’ stand to demonstrate the link between robotics and car manufacturing, showing you how knowledge of programming can help in a motor industry career.

Visit the BBC Cymru Wales stand and get a selfie with Doctor Who’s TARDIS, a photo of you presenting the weather or explore the world of special effects, including Casualties gory make-up!

Make the ground move and try your hand at driving construction machinery at the Construction Industry Training Board’s GoConstruct stand. GoConstruct, along with Jones Brother of Ruthin will host a plant simulator used to train plant operators before they move to real-life machinery.

Picture yourself in the ideas photo booth with Big Ideas Wales and see if you have the passion to be an entrepreneur.

And more...
GET SKILLED MASTERCLASS

Around the event are dedicated Get Skilled Masterclasses offering you in-depth knowledge about certain industries. You can discover new talents and try loads of different skills when you get hands-on with a Get Skilled Masterclass. Experts are always on hand to help as you learn something new and try work-based skills.

ACT TRAINING: ANIMAL CARE GET SKILLED 1
For visitors who imagine themselves working with animals, the ACT Training Masterclass stand will demonstrate hands-on grooming techniques and their fully qualified staff will explain how exciting working with animals can be. Individuals will also be encouraged to hold a range of animals and insects from mice and rodents to spiders and stick insects. You'll be able to get hands-on (literally), picking up practical skills for working in the animal industry, have fun participating in the activities and take away free gifts and memorabilia from the day.

CARDIFF & VALE TRAINING: AERONAUTICAL ENGINEERING GET SKILLED 2
Airframe Task - patch an aeroplane wing using aero industry standard techniques and equipment, including engraving, dot punching and letter stamping. Then affix the panel to the wing using drills and rivets.

Non-Destructive Testing Task - use an aero industry boroscope to simulate looking into an engine to check for faults. See if you can detect the objects inside compartments and discover the hidden message.

Avionics Task – wiring an aeroplane light circuit by using avionics testing equipment and methods to locate and repair faults in 3 lighting circuits for the nose, wing and tail of an aircraft.

Engine Task - engine strip demonstration by current apprentices from CAVC who will talk about each part as they remove it and how this enables the engine to power a plane.

Flight Task - try the flight simulator and land a plane at Cardiff Wales Airport, projected on to a screen and marked for success.

CAMBRIAN TRAINING COMPANY: LOVE FOOD HATE WASTE GET SKILLED 3
Waste and waste management is a hot topic! The Cambrian Training food industry showcase will demonstrate how you can make use of the food you would normally throw away. Why not come and have a go at burger making, whilst finding out how to recycle responsibly.

INSPIRING SKILLS EXCELLENCE IN WALES: SKILLS COMPETITION GET SKILLED 4
Visit this area and find out how Wales is delivering medal winning success at National and International Skills competitions. Discover how you can take part and could go on to represent Wales in a range of skills at the highest levels in five sector areas; built environment, cultural and creative art; engineering; IT and business; social and professional skills.

Visit the Skills Competition stands to watch world-class skills and speak to staff about how you can get involved.
CAREERS CLINICS HOSTED BY CAREERS WALES

Need answers to your careers questions? Why not drop into the Careers Clinics hosted by Careers Wales – information, advice and guidance for young people, parents and teachers.

TEACHERS

Teachers play an essential role in ensuring students have access to complete and up to date careers information to make the best career choices. Advisers from Careers Wales will be available to discuss the best resources available, how to access them and labour market information, so you can inform and inspire your students back in the classroom.

PARENTS & CARERS

We know that parents are a big influence on the decisions that young people make regarding their future career. The experts from Careers Wales will be delighted to chat to parents and inform them about the resources and tools available to ensure they are fully informed about the range of opportunities available to your young people in Wales.

YOUNG PEOPLE

If you want to find out about options after 16 or 18 then head over to the Careers Clinics. Careers Wales’ advisers will be on hand to discuss the best route for you from 6th form and vocational college courses to apprenticeships and a job with training. You can discuss academic and work-related learning routes to employment and the types of employment on offer now and in the future.

Rydym yn argymell eich bod yn goruchwylio'ch myfyrwyr, ond nid oes rhaid i chi eu hebrwng o amgylch y digwyddiad. Awgrymwn felly eich bod chi’n cymryd ychydig o funudau i ymweld â Lolfa'r Athrawon. Mwynhewch flas ar goginio Cymreig a chyfle i rwydweithio â chydweithwyr o'r un anian sy’n gweithio ledled Cymru.

LOLFA’R ATHRAWON
Mae Julie James AC, y Dirprwy Weinidog Sgiliau a Thechnoleg, yn ceidio gyda’r rhieni, a phob un o bobl ym Mawddach, i gyfrannu i’r ddau ddigwyddiad wedi eu credio i’w gynnal ar bedwar dyddiad mewn dau leoliad, un yn y Gogledd a’r llall yn y De, a gyrraedd yr ysbytyr yr ydynt yn cael ei gefnogi gan Lywodraeth Cymru.

Mae’r ddau ddigwyddiad wedi eu cynhyrchu i fod yn rhyngweithiol iawn, gyda gweithdai, sesiynau holi ac ateb, gweithgareddau a sgyrsiau i’ch ystyried i ystyried sectorau neu lwybrau gyrfa nad ydych efallai wedi’u hystyried o’r blaen. O hyfforddiant i addysg bellach i fyd gwaith, rydym yn ysbrydol i ddadlau’r trefnau ac ystyrlon, gan ddangos iddiannon sgiliau gwych sy’n gaddu’r cyfnod, ac yr opsiwn sy’n dal eich dychymyg chi ac y gallwch anelu ato.

Hoffwn hefyd groesawu’r cyflogwyr a’r darparwyr dysgu sydd yma heddiw. Rwy’n siŵr y bydd hwn yn gyfle gwych ichi gael tynnu sylw miloedd o unigolion, athrawon a rhieni at eich busnes a siarad â nhw am y math o sgiliau, cymwysterau a profiad rydych yn chwilio amdanynt ar gyfer eich gweithlu.

Dim ond un ffordd o geisio osgoi prinder sgiliau ac gymp导swing sgiliau efallai wedi eu hystyried o’r blaen yw Sgiliau Cymru, a chaiff ei rhangyllido gan Gronfa Gymdeithasol Ewrop.

Er mwyn cyflawni hyn, mae’n bwysig ein bod yn dod â’r gyfandir i gyfrannu i’r cyfle i mwy o bobl cael eu hystyried o gynnwys sgiliau gwych, a sefyll fel y weithgareddau a’r ddigwyddiadau sy’n cael ei cofio a’i’r cyfandir a ddefnyddiau sy’n cael eu hystyried.
